

A photograph of three people (two men and one woman) in plank positions on a sandy beach. They are looking forward with determination. The woman in the center is wearing a blue tank top. The men are on either side of her, one in a black tank top and the other in a grey t-shirt.

PLANKS FOR PUPPIES

Competition & Fundraiser

Saturday, May 16th - 6PM - 8PM

Robert Moses Beach Field #2

Join us for **Planks For Puppies**, a high energy beach challenge where **strength, heart**, and a little **competitive fire** come together for a **powerful cause**. Competitors will gather on the sand at **Robert Moses Beach Field #2** and drop into plank position together. By elimination rounds people will fall out. The last person still holding plank **takes the title**.

But the real challenge begins **before the event even starts**.

When you purchase a ticket to **register**, you can **create** your own **personal fundraising page** through Givebutter, where **friends, family**, and **supporters** can sponsor you as you prepare to compete. **Every dollar raised** goes directly toward saving the lives of **vulnerable puppies**.

There are two ways to win:

The Plank Champion

The last person standing in the plank competition.

The Top Fundraiser

The competitor who rallies the most support and raises the most money through their sponsors.

For more information go to pawsitiverescue.org

This event benefits Pawsitive Possibilities Rescue, a 501c3 nonprofit organization whose mission is to rescue puppies facing euthanasia and give them the second chance they deserve. Every dollar raised goes directly toward lifesaving veterinary care, food, shelter, and rescue operations
